

NWISL POLICY 111

SUBJECT: PAYMENT OF REFEREES

In order to develop consistency, promote proper Referee scheduling, and attendance NWISL has established the following policy on payment to Referees.

Home Team Coach shall be responsible for payment as follows:

- U8 Center Referee receives \$20
- U10 Center Referee receives \$20, and each Assistant Referee \$10
- U12 Center Referee receives \$30, and each Assistant Referee \$20
- U14 Center Referee receives \$35, and each Assistant Referee \$20
- U19 Center Referee receives \$40, and each Assistant Referee \$30

Linesmen (Assistant Referee, AR) shall be paid directly by the HOME Team Coach, whether scheduled Licensed Linesmen are scheduled, or replacement Club Linesmen are utilized.

In the event Licensed Linesmen are not available, and the Center Referee refuses the use of Club Linesmen, or Linesmen cannot be found, the fee(s) appropriated for Linesmen for that game would be returned to the Home Team's Club under guidelines established by them.

Under no circumstances will the center Referee receive payment for NWISL games greater than the amount designated for Center Referee.

The use of a "2 man" Referee system is not allowed by the Referees Association. Therefore, not recognized by NWISL. No "special" fees shall be paid to individuals.
